

Resolution No.17 of 2010

DRIVEWAY CULVERT PIPE AND OPEN DITCHES

BE IT RESOLVED AND IT HEREBY IS RESOLVED, the Township of Wayne – Lawrence County Board of Supervisors, Dennis Hall, Bruce Badger, Charles Hutchison will adhere the following piping of driveways policy. Resident is responsible for keeping culvert pipe and drainage ditch open and clean. All culvert pipes are residents responsibility to keep openings at both ends cleaned.

1. All homeowners are responsibility for the cost of all the pipe and gravel. The Township will put the pipe in at no cost. All homeowner with driveway drainage pipe will be responsible for keeping it clear of debris.
2. All pipes will be 15” unless the Board of Supervisors give a special variance to go with a smaller pipe.
3. Any open ditch in the yards of the Township right of ways will not be permitted to be piped unless you have a sign sealed Engineered study done and it is presented to the Board of Supervisors. If the Township approves, the landowner will be responsible for purchasing all the materials and the Township will install. A year after the study has been passed and presented, the Township will take responsibility for maintenance.
4. All open ditches will be cleaned and maintained at the discretion of the Board of Supervisors.

So RESOLVED this 2nd day of December, 2010.
