Motion to **Pay the Bills** made by Hutchison; 2<sup>nd</sup> by Hepler. All in favor.

**Solicitor’s Report** – nothing

**Supervisor’s Report**—Badger Report to follow.

## **Public Input:**

- Question on where to get the 911 signs. Cunningham said actual address: \$10.00/sign done on Tuesday night.
- Election Class before voting day. Law. Co. looking for a “roamer”; short staffed.

- Mark Verone asked if the township could stop the Zoning.
- Fazenbaker wanted to know if the Supervisors were the final decision.
- Zoning Notes: It was noted that zoning will prevent situations like a ½-way house from coming in and adult bookstores opening up. Tootie said whatever you are currently involved in will be grandfathered in. Badger said that 90% of the township will remain rural and zoned Ag. Zoning was not interested in stopping people from having businesses in their home.
- Jody Magill wanted to know what “our part” was in the township with reference to Amerikohl. Hutchison said Amerikohl runs on state roads and that’s how they get away with it. She was concerned about her well water; was advised to get her water tested and video document.

Hutchison made a motion to “**Close the Meeting**”. Hepler 2<sup>nd</sup> it. All in favor.
